What is PitneyShip™ Pro?

PitneyShip™ Pro is a cloud-based solution that scales easily across your organization, allowing employees to create carrier shipping labels and print postage regardless of location. Real-time data provides better insights and visibility into your shipping activity, helping you save time and money on every package you send.

Table of Contents

- How to Log In to PitneyShip™ Pro
- General Dynamics Support
- Ordering Supplies
- How to Ship a Package (Create a Shipping Label)
- How to See Shipping & Postage History
- How to track a shipment
- How to re-print a shipping label
- How to create a return label
- How to request a refund for shipments or stamps
- How to send certified mail
- How to Print Stamps
- How to Align the Printer correctly to print stamps

How to Align the Printer Correctly to Print Stamps

- **Stamp Sheet Printer Alignment (Using Google Chrome – Recommended Browser)**

- When a user is doing a test print, in the printer dialog box, click the **MORE SETTINGS** down arrow. In the **SCALE** section in image 2, select **“Default”**. Put the test print page in and make sure the print lines up. Then hit **PRINT**.
