

# Ship™ Pro Training

### What is Ship™ Pro?

PitneyShip™ Pro is a cloud-based solution that scales easily across your organization, allowing employees to create carrier shipping labels and print postage regardless of location. Real-time data provides better insights and visibility into your shipping activity, helping you save time and money on every package you send.

### **Table of Contents**

- How to Log In to Ship<sup>™</sup> Pro
- Internal UBS Support
- Single Sign On
- Ordering Supplies
- How to Print Stamps
- How to Align the Printer correctly to print stamps
- How to send Certified mail

Please disregard any pop-ups.

• Internal UBS Support – Email your support requests to: SH-COURIERS@UBS.COM

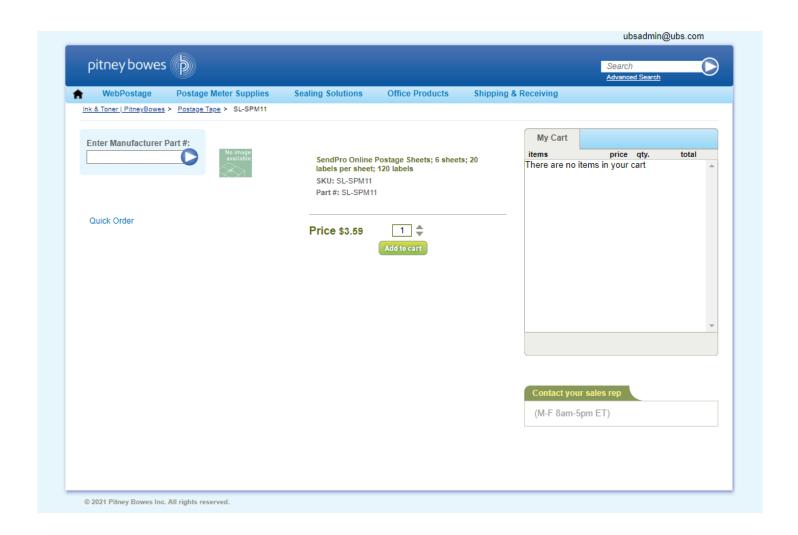

# Ordering Supplies

#### **Stamp Sheet Supplies**

- Goto/myshop
- Select Real Estate & Logistics and then Pitney Bowes Catalog
- Click buy from supplier
- Postage Sheets for Stamp
  Printing, 6 sheets; 20 labels per sheet; 120 labels
- Item #SL-SPM11

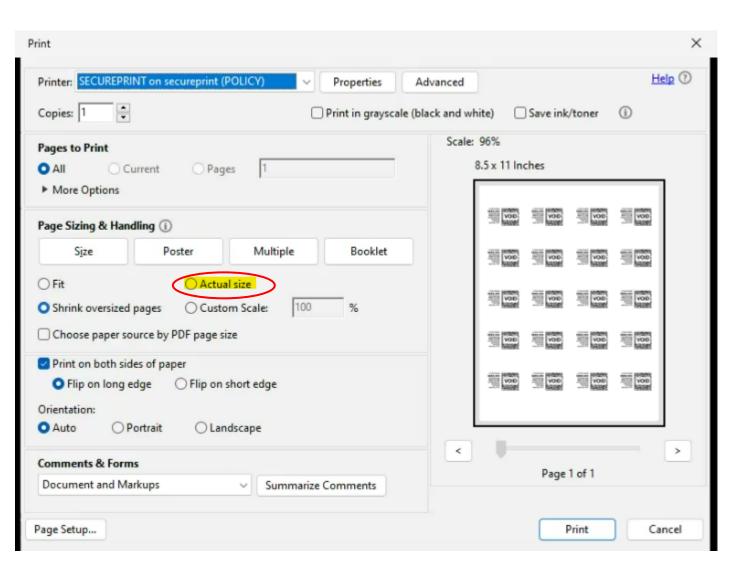

## Returning Your Postage Meter

- Cancellation request to your current postage meter will be submitted to the vendor
- A return kit will be delivered to your location that includes withdrawal instructions (for any remaining funds on the meter), package and a return label.
- Remaining funds will be returned to the master postage account, and you will see a credit to your location/cost center.

### How to Align the Printer Correctly to Print Stamps

Stamp Sheet Printer Alignment (Using Google Chrome – Recommended Browser)

When a user is doing a test print, in the printer dialog box, go to **Page Sizing & Handling.** In that section, click on "**Actual Size**". Put the test print page into the printer and click **PRINT.** Once you get your test sheet from the printer you will be able to tell if it is aligned correctly.
